03

Identify and scale the most impactful **solutions**

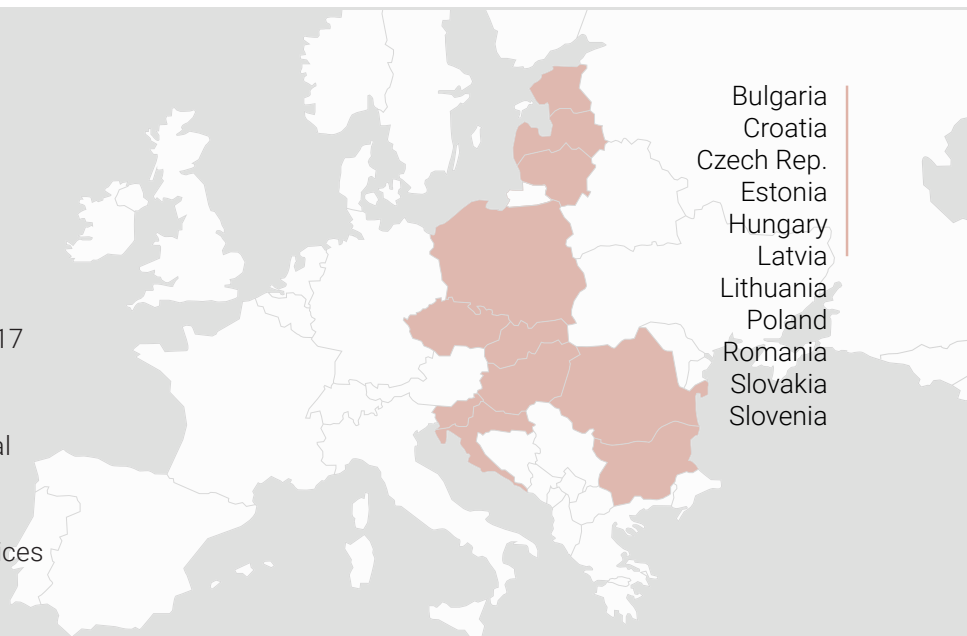

04

Encourage and coordinate **collective action**

WHY PARTNER WITH US?

Because, as your Social Impact Partner in **11 countries of Central & Eastern Europe**, we make your giving mean even more

- Regional implementation of the UN 17 Sustainable Development Goals
- Access to and understanding of local context, actors and solutions
- Application of the world's best practices and knowledge

OUR IMPACT TODAY AND IN 2-3 YEARS

2020-2021
With our own resources

We provided reliable data on social challenges in **4 CEE countries** to decision-makers from **48 countries**

We mapped, networked and identified barriers and potential incentives for philanthropic giving in **1 country**, Poland

We established **partnerships** with nonprofits, academia and start-ups that create impactful solutions

We created **3 coalitions** in Poland – for corporate philanthropy, employee volunteering and public procurement

01

RAISE AWARENESS

02

BUILD ECOSYSTEM

03

SCALE SOLUTIONS

04

ENCOURAGE COLLECTIVE ACTION

BY 2025
With your support

We promise to collect data for **11 countries** of the region and provide it to the **regional and global** community

We promise to map, network and identify barriers to greater social engagement in **11 countries** of the region

We promise to launch an **online marketplace** for CEE social impact innovations that really make a difference

We promise to initiate collective action in **11 countries** of the region to increase efficiency and funding of social issues

Together, we can take full advantage of the enormous potential of Central and Eastern Europe, offering solutions that will respond not only to the needs of our region, but also to global challenges.
