

Your Social Impact Partner
in Central & Eastern Europe

We are searching for **Social Impact Business Partner**

Social Impact Alliance for Central & Eastern Europe (CEE), an international think tank operating in 11 countries of Central & Eastern Europe whose mission is to facilitate more informed, intentional and impactful social engagement in the region, is looking for Social Impact Business Partner.

It is a **unique opportunity** for someone who likes and understands business, but at the same time wants to professionally engage in meaningful and impactful initiatives.

YOUR MAJOR PROJECT

Country by country, together with carefully selected key players – companies, business networks, funds, academia, public institutions and national and international organizations supporting social engagement, we are **identifying barriers and potential incentives to a greater social engagement of businesses and individuals** and drawing recommendations for changes, also tax and legal. You can read more about this project here: <https://ceeimpact.org/our-initiatives/philanthropy-and-csr-in-cee/>.

YOUR MAJOR RESPONSIBILITIES

1. **Coordination of the project**

Major activities: mapping key players, securing strategic partnerships, organizing the process, promoting the findings among decision makers

Geographical scope: 11 CEE countries

Major internal partners: CEO, Research expert, PR expert, graphic designers

Major external partners: key players from different sectors, strategic partners, law firms

2. **Implementation of solutions**

Major activities: recommending solutions to overcome identified barriers, finding answers to how to operationally implement them, securing strategic partnerships and funding

Geographical scope: CEE region, EU, UK, USA

Major areas: advocacy (creating a favorable tax & legal ecosystem for donors on national and EU level), education (raising awareness), collaboration (initiating collective action)
